cause of this change seems to have been the deaths of patients on whom German surgeons have recently operated for cancer of the larynx. Dr. Bergmann is said to have lost every case. Germany is slowly discovering that but for Sir Morell their beloved Crown Prince would never have been the German Emperor. Medical and surgical opinion in London is not less decisive in the English physician's favor. There has always been a certain amount of professional dislike of Dr. Mackenzie, and, perhaps, jealousy. That, in the presence of his professional triumphs at Berlin, is hushed, while on the general public his devotion and services have made the deepest impression. The medical students in the great London hospitals are to a man, his sworn champions. They talk of giving him, on his return from Berlin, a reception in which the public also may have a share. G. W. **GREAT LOSS OF LIFE AT SEA.**  
**THE STEAMER RIO JANEIRO GOES DOWN—120 PASSENGERS ON BOARD.**  
BUENOS AYRES, April 7.—A dispatch to the "National" from Montevideo reports the loss of the steamer Rio Janeiro. The steamer had 120 passengers on board.

**THE EMPEROR DOESN'T SLEEP WELL.**  
**HIS CONDITION CAUSES SOME ALARM—VAST DAMAGE BY THE FLOODS.**  
BERLIN, April 7.—The Emperor's condition gave rise to serious alarm yesterday. Both his coughing and his nervous excitement, and he also suffered from nervous excitement. To-day he rested for several hours, and after partaking of a luncheon of oysters drove out, for the first time in seven days, in a closed carriage. To-day's bulletin says that for the last few nights he has been unable to sleep well on account of headaches, and that the malady from which he is suffering now appears to be moving from the larynx more to the throat, which is regarded by physicians as a favorable symptom, because the danger of the disease attacking the esophagus will be thus averted.

The Emperor will go to Posen on Monday to inquire into the condition of the sufferers by the floods. Dreadful accounts have been received from Posen. Two hundred and fifty villages are in ruins and 15,000 persons are without shelter. When the dikes at Wartau gave way a large number of lives were lost. The loss in live stock is incalculable. The troops have been actively engaged in repairing the damage done. The relief of the sufferers is in progress. The Emperor's condition is such that he is threatened by pneumonia, and the number of persons emigrating to America will soon be enormously increased.

The official programme for the Bayreuth Festival of the coming season embraces seventeen performances, the first of which will be given July 22 and the last August 10. They will include "Parsifal" and "Der Meistersinger."

**ELECTORS OF THE DEPARTMENT OF THE NORD ALMOST UNANIMOUSLY FOR HIM.**  
PARIS, April 7.—The North held a meeting last night and, with only six dissenters, voted to support the candidature of General Boulanger for the Chamber of Deputies.

M. Ribot, immediately on the resumption of the Chamber of Deputies, will offer a motion providing for the restoration of the system of voting by scrutin in the department of the Nord. The "scrutin de liste" system offers candidates to obtain a plurality.

**BALFOUR WILL MEET THE ISSUE.**  
**GREAT PREPARATIONS MADE TO SUPPRESS LEAGUE MEETINGS.**  
DUBLIN, April 7.—Great preparations are being made by the police and military in Ireland to frustrate any attempts that may be made by the National League to-morrow to hold meetings.

Mr. Parnell has summoned his supporters to be present in Parliament on Wednesday next, so as to vote for the Farm Laborers' Relief bill.

**A GOVERNMENT VICTORY ON THE RECIPROCITY QUESTION.**  
OTTAWA, April 7.—The great debate on unrestricted reciprocity, which has lasted for three weeks in the House of Commons, and in which seventy-two members have spoken, terminated at 4:15 o'clock this morning. Mr. Jones's amendment to the amendment in favor of unrestricted reciprocity in trade and reciprocity in coasting with the United States was rejected by a vote of 124 to 67, and the Government amendment to Mr. Cartwright's motion was carried by the same vote.

Mr. Parnell's amendment to Mr. Cartwright's motion was carried by the same vote. Mr. Parnell's amendment to Mr. Cartwright's motion was carried by the same vote.

**JOHNNY MORGAN WINS THE LEICESTERSHIRE.**

The Leicester Spring Handicap of \$5,000 was won by the Duke of Devonshire's three-year-old colt, Johnny Morgan by a length. King Monmouth was second. Betting—10 to 1 against Johnny Morgan, 8 to 1 against King Monmouth, 9 to 1 against King.

**MR. MEYER IS OFFENDED AND DESIGNS.**  
LONDON, April 7.—Mr. Meyer, chairman of the North German Lloyd Steamship Company, has resigned because the management decided upon adding a fast steamer to the line, instead of extending the freight service to North America by the addition of freight steamers.

**A BEAUTIFUL NIBBLIST.**  
LONDON, April 7.—A sad and sensational story is reported from Moscow. The beautiful daughter of a Russian army officer rented a room in the police and directly she had taken possession of it, the police appeared and forced the door, whereupon the lady jumped from the window and was mortally injured. Her trunk contained dynamite bombs, which an investigation showed were intended for the purpose of assassinating the Czar.

**A NOVEL TASK FOR A NEWSPAPER.**  
MONTREAL, April 7.—"The Star" newspaper has hired 500 men and 200 carts to clean the streets, which have become impassable. "The Star" has already taken on a second mandate against the City Council, which refuses to act, because the specific appropriation has been exhausted.

**THE ENTERPRISE ORDERED BACK.**  
GOSPORT, April 7.—The United States steamer Enterprise, under temporary orders, has sailed for Tangier. The flagship Lancaster has arrived here.

**THE IRISH COMING TO AMERICA.**  
LONDON, April 7.—The transatlantic steamship companies are stopping the booking of Irish emigrants, because the number of applicants for passage is greater than can be accommodated.

**A NEW QUARREL OVER THE HATFIELD CASE.**  
LOUISVILLE, April 7.—Governor Wilson, of West Virginia, has got into a squabble with United States Marshal Gross over the latter's refusal to bring the Hatfield case here for trial. When the trial before Judge Parr was concluded, Marshal Gross presented to Governor Wilson an itemized bill for \$401. Wilson looked at it and said, "All right," and put it in his pocket. After the decision yesterday adverse to West Virginia, Mr. Gross reminded him of the bill. Governor Wilson responded sharply that he had paid \$200, and that was double what the service was worth.

"But you said it was all right when I handed you the bill," replied Wilson. "The Federal Government ought to pay it, anyhow."

The dispute will be brought before Judge Jackson this morning and will probably give twenty days to file an affidavit as to the amount.

The new bank will be organized in the city of Salem, N. J., and will have a capital of \$100,000.

**TWO IRON FIRMS SUSPENDING PAYMENTS.**  
PITTSBURGH, April 7.—Owing to the depression in the pipe trade and to labor troubles, which caused the stoppage of the mills for nearly four months, the Elba Iron and Bolt Company, Hattled, and the Con-

tinental Tube Company, have suspended payments. Their liabilities are \$257,000, and their assets, consisting of valuable manufacturing sites, mill, etc., amount to over \$200,000. When the assets are sold, the creditors will grant an extension.

**NATIONAL CAPITAL TOPICS.**

A GENERAL REDUCTION OF 23 PER CENT IN SALARIES, AND A NUMBER OF CLERKS DISCHARGED.

WASHINGTON, April 7.—Secretary Fairbairn to-day approved the plan of reducing expenses at the Chicago Custom House for the remainder of the present fiscal year suggested by Collector Berger. This makes a general reduction in salaries of about 23 per cent of all classes of employees whose salaries are not fixed by law.

Admiral D'Esterre and Count de Grasse representing the French Navy, Count de Rochambeau and the Chevalier D'Armand representing the army, Lafayette Square, which is directly in front of the Executive Mansion, will probably be selected as the site for the monument.

(For other Washington news, see Ninth Page.)

**UNITED LABOR PARTY MEN IN SESSION.**  
**ARRANGING FOR THE ELECTION OF DELEGATES TO THE CINCINNATI CONFERENCE—IN FAVOR OF NOMINATING A PRESIDENTIAL TICKET.**

PHILADELPHIA, April 7.—The members of the State Committee of the United Labor Party met at the Hotel House to-day to arrange for the election of delegates to the National Conference, at Cincinnati, on May 15. Of the thirty-five members that compose the committee seventeen were present, including the chairman, John H. Blakely, Dr. McGlynn, John McManis, Secretary Barnes, P. H. Cummins, the party's candidate for State Treasurer last fall; J. H. Schilling, of Richmond County; Joseph Warner, of Brooklyn; James P. Dignan, T. E. Bloyer, J. K. Sullivan and George A. Black, of New York; John J. Mulvan, Newburgh; William J. Green, Poughkeepsie; J. G. Sutcliff, Yonkers; John J. McCall, Albany; George E. Beidel, Rockland; and Joseph H. Steinmetz, of Syracuse.

Messages were received from nearly every other member of the committee. These were of the most encouraging character. Among them was a telegram from Lawrence J. McCall, of Lockport, who promised to send a full delegation to Cincinnati, and, in view of the fact that the party is in favor of nominating a Presidential ticket, this was also the sentiment of all the members present.

The committee also authorized the State Executive Committee to call a State Convention at the proper time and place, and to arrange for the calling of a Constitutional Convention.

The policy of the Conservatives at this time represents the confidence of the wide German people. All of the Radical newspapers, such as the "Vossische Zeitung," which treats the Bismarck question with disdain, as of no consequence to the German people, ignore the fact that Bismarck is only one of the many in the general discord struck by the party of the Empress. The retention of the Berlin press in referring to court intrigues has been greatly increased by the recent visit of the Emperor and leading officers of State. Matters have been concealed, or only faintly alluded to, which ought to be discussed with the fullest publicity.

The Bismarck marriage becomes almost a minor incident in the court intrigues. Among other successful schemes, the Emperor has been induced to send to Count von Moltke a series of letters in which he is said to have expressed a request that the general preside at the meetings of the Commission on Reforms in the Army. Count von Moltke has replied that it would be impossible for him to preside over the meetings, and that the Commission has been dropped. Another move of the party of the Empress is to overhaul the diplomatic appointments. If Bismarck had consented, the Prince of Reuss, Minister at Vienna, would have been displaced, Count von Munster would have been withdrawn from Paris, and Baron Hatzfeldt from London, because each is said to be in the Bismarck policy. The position now is a mere truce.

To-night's "National Zeitung" says that the betrothal is postponed, but that circumstances may arise under which Prince Bismarck will no longer oppose the union. An official note, sent as sometimes happens, through Vienna, says that in consequence of a memorandum laid before the Emperor by Prince Bismarck, setting forth the difficulties connected with the marriage, the betrothal in the near future will be postponed until the political objections shall be removed.
